From the Editors:

During the week of June 17th through the 21st, the *Tennessee Church of God* held its annual camp meeting in Cleveland, Tennessee. The site this year was the *North Cleveland Church of God*. Camp meeting is a wonderful event to connect with friends, seek advice from other Christians, and simply to soak up Gods words in fellowship with others.

There were several pastors and speakers at the meeting, including: Jentzen Franklin, Tony Cooper, Raymond Culpepper, Janice Claypoole, Eric Petree, and Toby Morgan. All are well known and respected by the *Church of God*.

During the Wednesday service, our own Charles Leger was awarded his certificate after completing the Minister in Training Program (MIP). We offer our CONGRATULATIONS to him!

Several people have spoken of responding to the message spoken by Janice Claypoole. The Lord was in the service that night and many were touched by the Holy Spirit. Below is a comment made by a minister who attended that service.

What an awesome move of the Holy Spirit tonight at Tennessee camp meeting with Pastor Janice Claypoole. This is the greatest camp-meeting service, I have ever been in. Lord pour out your presence upon your church in this modern day, that we might reach the generations!

From the Heart of Our Pastor,

Wow! What a week at the *Church of God Youth Camp* on Signal Mountain! From the first night we got there, Sunday night, you could feel the excitement in the air as the leaders prepared for the campers to arrive.

The evening services were nothing short of God's glory – just to see 500 middle school students praising God was **AWESOME!**

Wednesday night was Holy Ghost Night. You couldn't see the altar for the kids who were slain in the Spirit. What a great God we serve! I'm happy to report that the Spirit of God is still moving through our young people.

What I took away from my week at camp is that we as adults need to step up our praise and worship – or should I say **WARship** – and help this next generation experience what we did growing up.

NORTHWEST Kids Church

Northwest Kids Church is a high energy and engaging service where our children can learn to worship God and come away with a deeper knowledge of the Bible and what God has for their lives, both now and in the future. If your child is not connected, we hope you will encourage them to join Pastor Donald and Amanda Russell, and all our Kids Church children, during our regular Sunday Morning and Wednesday Evening worship services.

I would like to extend an invitation to anyone who would like to sing or play an instrument to join our Worship Ministry Team. There's always room for more! Come join us for Choir Practice on Wednesdays at 6 pm and Sundays at 9 am.

Men's & Women's Fellowship is a *Life Group* of *Northwest Church of God*. We gather on the second Sunday of each month for fellowship and food - both physical and spiritual.

After a time together eating, we split into groups of Men, Women, and Kids, and each will have a time of discussion and study of God's Word and how it can apply to our lives in today's world.

We would love to have you join us! This month's fellowship will be on **Sunday, July 14, at 6 pm in the FLC (Family Life Center)**. Bring finger foods, enough for you and your family and to share.

Each month the *Nursing Home Ministry* gets together to visit local nursing homes and assisted living facilities. We sing hymns, play games, and enjoy fellowship with those who are limited in their ability to be out and about.

This month we will again be enjoying the company of the residents at **Morning Pointe of Knoxville on Saturday, July 13 at 2:30 pm**. If you are interested in joining this outreach ministry, please contact Gail Hipsher.

On Tuesday, July 30, the *Young at Heart* group with be making a trip to *The Shroud of Turin Museum* in Pigeon Forge then having lunch. If you are interested in going, please see Gail Hipsher to reserve your space. Cost of admission is \$12 for the museum and you are to pay for your own lunch.

The following is an excerpt from the description of the museum:

"The Shroud of Turin is the most scientifically studied relic in the history of the World. The best scientists and minds in the world have studied it in the World's most credible Institutions and Laboratories.

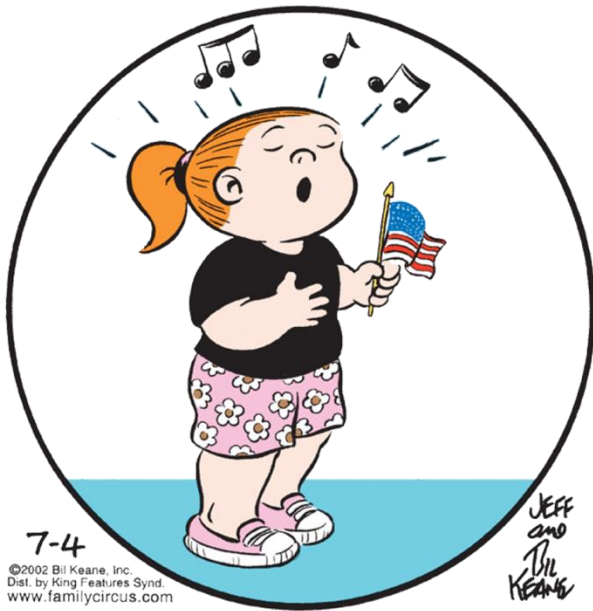

The Shroud Museum provides the most accurate information of the Shroud's history, journey and investigation. In addition to a replica shroud on display you will also see actual artifacts from a Roman Crucifixion and a replica of the Garden Tomb.

A trip through the Shroud Museum will leave you knowing that this truly is the burial cloth that covered the man called Jesus. ""
